SUMMER '18 YOUTH SCHEDULE

Remarks

All times listed in the LEFT column are expected start and end times. Please be at the church or other listed venue at the time listed.

Wednesdays are geared specifically for Middle School students, though High School students may attend. Dinner will be provided. If you are interested in providing dinner, please contact Dylan@beardenumc.org.

Sundays are geared specifically for High School students. The material will be more in-depth. Middle School students will be able to attend this small group when they enter High School. Coffee and light snacks will be provided. The venue is listed as "Student Ministry suite" but is subject to change, such as "next week, let's meet at Starbucks and talk outside."

FISH ministry pick up will still take place at the beginning of each month during normal church time.

The Smokies Game on June 11 is Dollar Dog Night. The \$5 covers part of the cost of the ticket. The youth ministry will pick up the remaining cost. Students will need to bring money for food at the ballpark. The expected time of return is 11 PM, though that time is relative to when the game ends.

Operation Backyard on June 16 is completely tentative. As of May 17, I am still waiting to hear back from the director of KLF. I would like for us to do some service projects this summer, so if OBY doesn't work out, we will still try to do something, whether a KARM service day (though not on Saturday because the Mall will be CRAZY) or some other service project.

Fun in the Sun at the Wades' lake house on June 20 requires observance of our bathing suit policy (one-piece only, or a dark-colored t-shirt over top). Be sure to bring sunscreen as well. If you cannot make the 4:00 PM time at BUMC, feel free to drive to 3309 Leflore Dr., 37777 when you are able.

Game Night at the Rivers' on June 22 will not begin at BUMC. Instead, all students will be dropped off and picked up at the Rivers' house, address 7109 Lawford Rd., 37919.

From June 26 – July 3, I will be in Costa Rica on the mission trip. We will not have MS FUSE on Wed. June 27, HSSG on Sunday, July 1, or MS FUSE on Wed. July 4.

Lake Day @ Bammie/Bad's Cabin in Townsend is tentative because Charlie needs to confirm with Ann that that date works for them. I will let you know as soon as they confirm with me. If that date does not work, I've also inquired about Saturday, August 4. ***This trip will also be conditional on the presence of water in the river.***

All Vacation Bible School times and dates are Lindsey's domain. You may find all of that information, as well as registration, online at www.beardenumc.org.

The VBS 2018 Lock-in will take place after clean-up. We will go to Greg and Abby Blackmon's to swim before returning to church for a late meal. Activities of the night will include dodgeball, board games, crafts, and Sanctuary.

The End of Summer Party will most likely take place on Saturday, August 4, though details are TBD. If we cannot use the cabin in July, we will try to use it on this Saturday.

Wednesday, August 8 is the first day back for students, though it's only a half-day. We will still have MS FUSE, though the time changes to 5:30 – 7:30 PM. Dinner will still be provided. This night will be more laid-back to give the students the space to express their excitement or worries over the new school year in a safe and encouraging environment.
